Kris,

The AAG for Ecology is Ivy Anderson – IvyA@atg.wa.gov office phone 360 586-4619
The King County DPA is Mark Stockdale – Mark.Stockdale@kingcounty.gov office phone 206 477-9559

I am also happy to pass along if that is easier.

Thanks,

Scott

Hi Scott-

I've attached the draft MOU for EPA, Ecology, and King County regarding the groundwater sampling. I realized you're the only attorney contact I have regarding this matter. Are you the person who would be reviewing this for Ecology? Or is there someone else you could put me in touch with?

If you don't have attorney contacts that's fine – you could share it with whatever contacts you have in those offices or I could ask Jeff to share it with his contacts.

Thanks,
Kris
